Assateague Drive Sidewalk Project to Begin

ELLICOTT CITY, MD – A Howard County project to construct a pedestrian pathway along Assateague Drive in the vicinity of U.S. Route 1 in Jessup has begun. The new sidewalk will continue an existing section of sidewalk along Assateague Drive from Pocomoke Avenue to U.S. Route 1. Weather permitting, the project is expected to be completed by late August.

Throughout the project, one lane of Assateague Drive will be closed to traffic during construction hours, Monday through Friday from 8:00 a.m. to 3:30 p.m. Flagging operations will be in place to direct traffic as needed and signs will be posted to advise residents of the construction.

For questions or concerns about Capital Project K-5061, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440 or by e-mail to publicworks@howardcountymd.gov.
